3. Market Performance in June 2026

Total Industry Volume (TIV) in June 2026 returned to positive month-on-month growth of 11%, after recording a decline in May. The improvement in TIV in June 2026 can be attributed to:

- resumption of normal working month operation; and
- new model launches .

4. Outlook for July 2026

Sales is expected to maintain its current momentum into July 2026 supported with aggressive promotion.
