3. Market Performance in October 2026

Sales improved month-on-month in October 2026 by 1.3% compared to 69,609 units in September 2026 mainly contributed by improvement in passenger cars (*+4%*) and commercial vehicles (*+8%*). Demand for commercial vehicles improved with sales of pick-ups recorded at 3,740 units (*highest for the year*). The Government's support via BUDI Diesel program also paved the way for recovery in the commercial vehicles segment.

4. Outlook for November 2026

Sales is expected to continue its upward momentum in November 2026 due to the positive economic outlook and supported by year-end promotion.
